PLANT
PECANS
FOR
SHADE
AND
PROFIT

We have the Finest Stock of Paper Shell Pecan Trees this season that we have ever grown. Plant them in the barn yard, in the corners where you can't plant anything else; care for and fertilize well, and in a very few years you will be doubly rewarded with Shade and The Best of all Nuts.

Our Trees are grown in the South, for the South; we handle no Northern grown stock.

JENNINGS, : LOUISIANA.

Please Read The Following Before Ordering.

All Prices in This List Are F. O. B. Jennings, La.

TERMS.

Cash with order, if for immediate shipment. On advance orders 25% down, balance when trees are shipped. If trees are not found satisfactory upon arrival, notify us and matters will be properly adjusted.

SHIPPING DIRECTIONS.

Give Plain and Explicit directions for shipping; if express station is different from post office give both.

SHIPPING SEASON.

November 1st to March 1st, or until trees begin to put out in the spring. Citrus trees may be shipped at any season of the year by express.

APPLYING PRICES.

Five or more at the 10 rate; 50 or more at the 100 rate. Neighbors can sometimes order together and get the benefit of these prices.

MINIMUM ORDERS.

We do not care to fill orders for less than \$2.00.

WE GUARANTEE

All Trees sent out by us to be in first class condition, true to name and properly packed. We will refund purchase price for any tree that does not prove true to label.

SERVICE DEPARTMENT.

We will cheerfully answer all questions as to varieties, care, etc.

Orange Trees.

We are offering only two varieties of Orange Trees this season: Louisiana Sweets and Satsumas. These Trees are absolutely free from any dangerous tree disease and insect pest, and are shipped only under government inspection certificate; no canker has ever been found where these trees are grown.

Price	Each	Per 10	Per 100
1½ to 2 ft.	\$.45	\$4.00	\$37.00
2 to 3 ft.	.55	5.00	45.00
3 to 4 ft.	.65	6.00	55.00

These Trees are low branched and much stockier than straight trees such as we listed last year.

Pomelo or Grape Fruit.

Price on Grape Fruit the same as on Oranges.

Pecans.

We offer the following varieties of the best budded and grafted Paper Shell Pecans: Stuart, Schley, Moneymaker, Frotcher, Pabst, VanDeman, Delmas and Success. These Trees were transplanted one year before budding, and have from two to six tap roots, whereas trees grown in the ordinary way have only one. Many of our Trees have fruited two years after planting, but this is not the rule and we do not guarantee all or any of them to bear at this age.

Price	Each	Per 10	Per 100
2 to 3 ft.	\$.65	\$5.50	\$ 50.00
3 to 4 ft.	.70	6.50	60.00
4 to 5 ft.	.80	7.50	70.00
5 to 7 ft.	1.10	10.00	90.00
7 to 9 ft.	1.75	15.00	130.00

Peaches.

The following varieties of peaches, named in order of their ripening, will do well in the coast country if planted on well drained soil: Waldo, Greensboro, Honey, Belle of Georgia and Alberta. One year old trees 3 to 4 feet high, 25c each; \$2.00 for 10; \$15.00 per 100.

Pears.

We list the three varieties of Pears that are the best adapted to this section: Kiefer, Garber and LeConte. One year Trees 3 to 4 feet high, 35c each; \$3.00 for 10; \$25.00 per 100.

Plums.

Our Plum Trees are all budded on Plum roots, not on Peach as some nurseries do; such trees are usually failures. Excelsior, Terrell and McRae—you can depend on these varieties. Prices: One year old Trees 3 to 4 feet high, 35c each; \$3.00 for 10; \$25.00 per 100.

Japan Persimmons.

One year Trees, 35c each; two year Trees, 50c each; Three year Trees, \$1.00 each.

Figs.

We have the following varieties: Celeste or Little Blue Fig, as it is locally called, Magnolia and White Ischia. The two last named are a large light colored fig recommended for canning. These Trees are a straight one year top on an extra heavy 3 year old root and sure to grow.

Price	Each	Per 10	Per 100
2 to 3 ft.	\$.25	\$.20	\$.18
3 to 4 ft.	.35	.30	.25
4 to 5 ft.	.50	.40	.35

Grapes.

Bunch varieties—Champion, a blue grape, and Diamond, a white grape.

Muscadine varieties—Scuppernong.

Price, all varieties, large 2 year old Vines, each 25c; \$2.00 for 10.

Camphor Trees.

The Camphor is the most desirable Evergreen Shade Tree we have; it is free from insects and dis-

ease, and can also be planted for Hedges and wind breaks. Straight, Transplanted Trees.

Price	Each	Per 10	Per 100
1 to 2 ft.	\$.35	\$.30	
2 to 3 ft.	.50	.40	
3 to 4 ft.	.75	.60	
4 to 5 ft.	1.00	.75	
5 to 6 ft.	1.25		

From Seed Bed (Not Transplanted)

6 to 12 in.	.10	.08	\$.07
12 to 18 in.	.15	.10	.08
18 to 24 in.	.25	.20	.15

Camphor Trees are rapidly replacing the common China tree with its annual litter of leaves and decaying berries.

Cherry Laurel or Wild Peach.

A handsome evergreen similar to the Camphor, 3 to 4 ft., 50c each; 4 to 5 feet, 75c each; 5 to 6 feet, \$1 00 each.

Holly.

The Evergreen that bears the red berries that ripen in winter and so much used for holiday decorations.

Prices same as Cherry Laurel.

California Roses.

The Roses we offer this season are grown in California where rose culture has been brought to perfection. Plants are grown in the open ground and are superior to those grown under glass.

Papa Gontier (Red) Bridesmaid (Pink) Kaiserin A. V. (White) Marchal Niel (Yellow,) Prices, each, 50c; \$4.00 for 10.

Comellias.

We offer the three leading sorts, Red, Pink and White; large bushy plants about 2 feet high, each, \$1.50.

Palms.

We offer three varieties of Palms as follows: Washingtonia Robusta or California Fan Palm, Phoenix Canariensis or Date Palm and Cocos Australis, somewhat similar to the Phoenix but has gray green leaves instead of bright green as have the Phoenix.

Price on Palms.

	Each	Pair
1½ to 2 ft.	\$1.00	\$1.75
2 to 3 ft.	2.00	3.50
3 to 4 ft.	2.75	5.00
4 to 5 ft.	3.50	6.00
5 to 7 ft.	5.00	8.00

All Palms are dug and shipped with large balls of earth securely sewed in burlap; they never fail to grow.

Australian Silk Oak.

A beautiful Evergreen Tree with fern-like foliage; rapid grower. 2 to 3 feet, 25c each; 3 to 4 feet, 40c each; 4 to five feet, 50c each.

Top-Working Large Pecan Trees.

If you have seedling (grown from seed) Pecan Trees that are not bearing at all or bearing small inferior nuts, do not chop them down, for they can be made to produce fine Paper Shell Pecans by budding in the branches. Hickory trees can also be transformed into Pecans by the same process. Prices for this kind of work made known on application.

Spineless Cactus.

This novelty makes an interesting and ornamental plant and is also said to be valuable as stock feed. Price 50c per slab.

If you do not order any trees this season but wish to receive our Annual Catalogue tear off Coupon below, send it to us and we will keep your

name on our mailing list. This coupon with the names of ten of your neighbors who might buy trees entitles you to 50c worth of trees with your order.

Kindly keep my name on your mailing list.
